XEROX Document Centre 250 Digital Copier w/ Auto Feeder & Duplex

- High copy speed of 25 cpm & quick first copy out time of 3.9 sec help increase office productivity.
- Scan only once for multiple copies – Smooth & quiet operation. Minimises wear & tear for enhanced reliability.
- Digital Laser Xerography produces 600dpi high resolution copies for more vivid documents.
- Time-saving *Auto Image Rotation* feature effectively reduces paper wastage.
- Short paper path operation requires less moving parts, resulting in a truly reliable machine with minimized jams.
- Electronic Collation allows the sorting & stacking of documents without the need of a bulky & problematic Bin-Sorter.
- High capacity 3000-sheet paper supply ensures smooth & continuous copying with less frequent paper replenishment.
- Booklet Mode allows multiple pages to be scanned into memory for the creation of booklets.
- Highly efficient stack-less duplexing enables quick & continuous automatic two-sided copying.
